### SECTION 3 - INDIVIDUAL, PARTY AND PRIVATE BRANCH EXCHANGE SERVICE

#### J. CUSTOM CALLING SERVICES (Cont'd.)

##### 2. Description (Cont'd.)

###### f. Call Forwarding Busy Line (N)

This feature provides for calls terminating to a subscriber's busy directory number to be forwarded to either a different subscriber's telephone number or a different telephone number for the same subscriber located on a different premises from the Call Forwarding Busy Line provisioned premises. The customer selected forward-to telephone number is preprogrammed at the time service is established and can only be changed via service order. Call Forwarding Busy Line shall not be used to extend calls on a planned and continuing basis to intentionally avoid the payment of Rotary Line Service.

###### g. Call Forwarding Don't Answer

This feature provides for calls terminating to a subscriber's idle directory number to be forwarded, after a customer preselected interval, to another telephone number. The customer selected forward-to telephone number and specified interval are preprogrammed at the time service is established and can only be changed via service order.

###### h. Call Reverting

This service permits a customer to revert (ring-back) a call back to their own premise (origin of call) for the purpose of inter-communication. This service would be initiated via digits dialed/pulsed and/or switch hook control. This service will be provided on only one party service in those offices adequately equipped. Call reverting on multi-party service for calling other parties on line in certain offices will continue to be provided at no charge.

###### i. Ring Plus Service

###### (1) General

Ring Plus Service provides the capability to have an additional telephone number assigned to single line residence and business service. A separate, but distinctive ringing pattern is associated with each number.

Customers subscribing to Call Waiting or Enhanced Call Waiting service will be provided with a corresponding but differentiated Call Waiting tone for each number.

Call Forwarding subscribers must choose between Option 1 and Option 2 as outlined in 2f.

Residential and business customers subscribing to Ring Plus will be provided with a separate alphabetical listing for each number, as outlined in 2d.
